

object

```
graph BT; A[feedforward_closedloop_learning.FCLNeuron] --> B[object]
```

A diagram illustrating a relationship between a neural network component and an object. At the bottom, a gray rectangular box with a black border contains the text "feedforward_closedloop_learning.FCLNeuron". A blue arrow points vertically upwards from the top center of this box to a white rectangular box with a gray border at the top, which contains the text "object".

feedforward_closedloop
_learning.FCLNeuron
