

type

```
graph BT; A["feedforward_closedloop_learning._SwigNonDynamicMeta"] --> B["type"]
```

A diagram illustrating a type relationship. A light gray box at the top contains the word "type". A dark gray box at the bottom contains the text "feedforward_closedloop_learning._SwigNonDynamicMeta". A blue arrow points from the top of the dark gray box to the bottom of the light gray box, indicating that the object in the dark gray box is of the type specified in the light gray box.

feedforward_closedloop
_learning._SwigNonDynamicMeta
